

## 2006 Residential Camps

The following camps offer sessions open to children and adults with developmental disabilities. All sessions listed are appropriate for students or graduates of State Schools. The facilities are in Missouri with the exception of Camp Shing and Camp Determination which are located in Linwood, Kansas, near Bonner Springs.

### Funding

Since the Regional Centers have very limited funds, here are some ideas for obtaining help with the fees:

- Ask the camp if they can provide a scholarship or partial funding.
- Contact Camp for Kids for funding. The mission of this organization is to raise funds to send low income and special needs children to camp. Web site is [www.campforkids.org/](http://www.campforkids.org/) For information, contact Zee Peters at (816) 559 4622.
- Ask your Regional Center service coordinator to put you in contact with local organizations providing scholarships.
- Families in St. Louis County can contact the Recreation Council at (314) 726-6044 which has limited funding (families are expected to cover part of the fee).
- Consider fundraising yourself through your church or other local group. At least one Independent Living Center has hosted a fundraiser to assist with camp fees.
